Saint Anthony's Youth Ministry for Today's Generation

April 2010

The following events are sponsored by the Youth and Family Commission who were challenged by the Parish Convocation in January of 2009 to create the foundations for a new Youth Ministry Program.

**They can not succeed without your support. Please read on!**

## Updated Communication Request

At St. Anthony's Parish we are looking at the many aspects of parish life. The Youth and Family Commission has been working diligently to find ways to reach out to parish teens and young adults. As we work through the planning phase, we realize it is very important to have various ways to contact the youth of the parish.

While we have home addresses and phone numbers, it is our feeling that some of St. Anthony's young people might respond in a positive way to personal emails. We want to assure you that it will be our policy to copy emails to you as parents and that all email addresses will only be used for parish purposes.

If you would like your teenager (Grades 5 through 12) to receive emails about future parish youth activities, click on the link Youth Information on the StAY webpage, print the form, complete the information and return it via SASJ school, the CFF Office, the collection basket or the Rectory.
